SCHOOL AND/OR SITE DEMOGRAPHICS:

Program Dates _____ Phase I: _____ Site Visit II: _____

School: _____
 Principal: _____
 Team _____
 Contact: _____

ATTENDANCE:

For each category listed below, please indicate the number of people in attendance at this session.
NOTE: Remember that the site must graduate a minimum of five families to be eligible for Team Certification.

Families: _____
 Parents/Care-giver: _____
 Mentors: _____
 Youth: _____
 Children: _____
 Team Members: _____
 Volunteers: _____
 School Personnel: _____
 Other Visitors: _____ Who were the visitors? _____

Please comment on the level of ethnic and socio-economic matching between the team members and the attending families. Do families appear comfortable interacting with the team? Does the team appear comfortable interacting with families? Please share your observations.

RECRUITMENT/RETENTION:

Were more families recruited since site visit 1? If so, how many?

Were families who attended session one retained through week three?

What were the challenges to successfully recruit more families, if any?

Does the team have a plan to retain families? If so, please share it.

SITE & FACILITIES OVERVIEW:

Indicate with an X where the following areas are provided and if each area meets the needs of all families participating at this FAST® site.

Facilities	N/A	Meets Needs
Signage & Welcome Area		
Kitchen/Dinner Area		
Family Tables		
Kid's Time Area		
Childcare Area		
One to One Area		
Main Room		
Resource Table		
Playground		
Bathrooms		
Transportation		
Parking		
Safe Environment		

If anything in the above list was not found to "meet needs," how will that change in the future? Please describe what the team plans to do to ensure that all facilities meet needs.

OVERVIEW OF QUALITY OF IMPLEMENTATION:

When completing this section of the site visit report, be mindful of the details outlined within the Quality of Implementation Checklist (QIC). It is important to review the details and document them based on trainer observations during the site visit. Strengths and challenges should be assessed according to the core components outlined under each section within the QIC and within integrity outlined within the Program Integrity Checklist.

PROGRAMATIC TEAM INFORMATION:

For each of the areas listed below, please describe the team as a whole by outlining their strengths and challenges and give your observations and recommendations for sessions two through graduation.

- Team Characteristics: How many men/women on team? What is the ethnic makeup of team members? Are there an equal number of adults as youth on the team? Are the collaborative agency administrators/supervisors supportive of their staff person on the team, and supportive of FAST?

- Team Collaboration: How well/effectively does team work together? Are they able to effectively network with those outside of their area of expertise? Do they effectively form goals with those outside of the team? Do the adults support the youth on the team, and are the youth engaged with the adults on the team?

- Team Cohesion: Are they actively engaged w/ the overall goals of the program? Do they offer and/or exchange ideas with one another? Do they help coach and support each other to strengthen weak areas of implementation? Do they get along with one another? Are all partners feeling/acting empowered? Are individual's strengths being "used" or "tapped into?"

- Feedback: Is the team receptive to feedback from the trainer and the team members?

Debriefing

Please list the team members present for debriefing.

Was anyone missing? If so, please explain.

Was adequate time given to debrief with the team?

When was debriefing conducted (i.e. evening of FAST, next day)?

The following areas must be discussed with the team during debriefing. Initial each area to verify they were discussed.

- Documenting observations of parents/mentors for affirmations _____
- Moving from recruitment to retention after week 3. (No families can join after week 3) _____
- Special Presentation Planning (Remember that presentation should be geared towards the youth) _____
- Graduation Planning _____
- Offer to parents/mentors the opportunity to complete affirmations for their youth to be given on graduation night? _____
- Offer to youth the opportunity to complete appreciations for their parent(s)/mentor(s) to be given on graduation night. _____
- If guests will be invited for graduation night, determine as a team how they will be occupied during Parent/Youth Group and One-to-One Time _____
- Determine if an additional week will be held to accommodate the graduation and the completion of surveys for both the parents and youth. _____

Areas requiring more direction
